- Be intended for and open to the general public; this includes activities that charge admission
- Actively involve members of the local community (e.g., through assistance with event planning, volunteering at the event itself, evaluating the event, etc.)

Community Historical Anniversaries Programming

http://www.pch.gc.ca/progs/dcap-bcah/chcp-chap_08/tdm_e.cfm

The term “event” refers to your commemoration as a whole (for example, the 100th anniversary of Snowytown). You may apply for funding for specific activities within the larger event (e.g., a showcase of local artists at the Snowytown Centennial, or a re-enactment of the arrival of John Snow) or for the event as a whole. In other words, if all activities are eligible, you may apply for the entire event. If only some activities are eligible, you may only apply for those activities.

To receive funding from the Community Historical Anniversaries Programming component, your activity must:

- Last a minimum of one (1) calendar day and a maximum of one (1) year
- Be intended for and open to the general public; this includes activities that charge admission
- Present a program of festivals, events or related activities that commemorate a 100th (or greater) anniversary, in increments of 25 years (125, 150, etc.), of a locally significant historical event or personality
- Present local performing artists and/or the work of local artisans and/or aspects of local historical heritage
- Actively involve members of the local community (e.g., through assistance with event planning, volunteering at the event itself, evaluating the event, etc.)
- **Deadline: April 1, 2009 (for events presented between September 1 and December 31, 2009)**

To be eligible for funding from either component, you must provide written confirmation of support (financial or in-kind) from your municipal government or equivalent authority.

Maximum amount for any event is \$200,000.
